Year of the Flamingo

WRITTEN BY WAYNE GRAM

The *Year of the Flamingo* is the 2025-26 era of Wave Parker of becoming. We start the era with the EP, *The Flamingo Sanctuary*, which dropped on February 25, 2025. This 7-track EP is Wave Parker rapping about new life circumstances over self-produced drumless instrumentals. Songs like “Hiroshi Nagai” and “Rollman Estates” explore the lavish livings Wave has always spoke into existence. “Need A Few” is charged with getting money for him and his people, with “The Surreal Life” being of a more introspective journey of life after forever ended.

We then jump to the first album of the series, *A Flamingo Amongst Cardinals*. This April 25th drop is significant as the first official album that Wave Parker has released since he began in 2021. With multiple mixtapes and EP's released, this project dives deeper into the world of Wave and what the flamingo represents. Wave always felt like he was different than his peers being raised in Cincinnati, OH yet always flew with the flock, no matter who it was. “That’s where the meaning behind the title comes from, I’m a unique individual (flamingo) amongst the rest (cardinals) yet we’re all in the same family (birds) going towards the same goal”, says Wave. Tracks like “Run & tell ‘Em That”, “Feet, Don’t Fail Me Now”, & “S’posed To” highlight those sentiments that Wave feels he has for his people, while “Whip with the Curtains”, “New Hunnids”, & “I’m A Hustler, Baby” brings that raw, get-the-money, hustle mentality that fits within his lane of Lifestyle Rap.

On July 25th, Wave dropped the second installment entitled *Where the Flamingos Fly*. This album expands on the introspective raps, but brings to the forefront his audacious, gaudy, pimp-tight demeanor starting with the 3rd track,

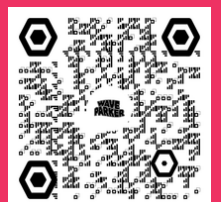

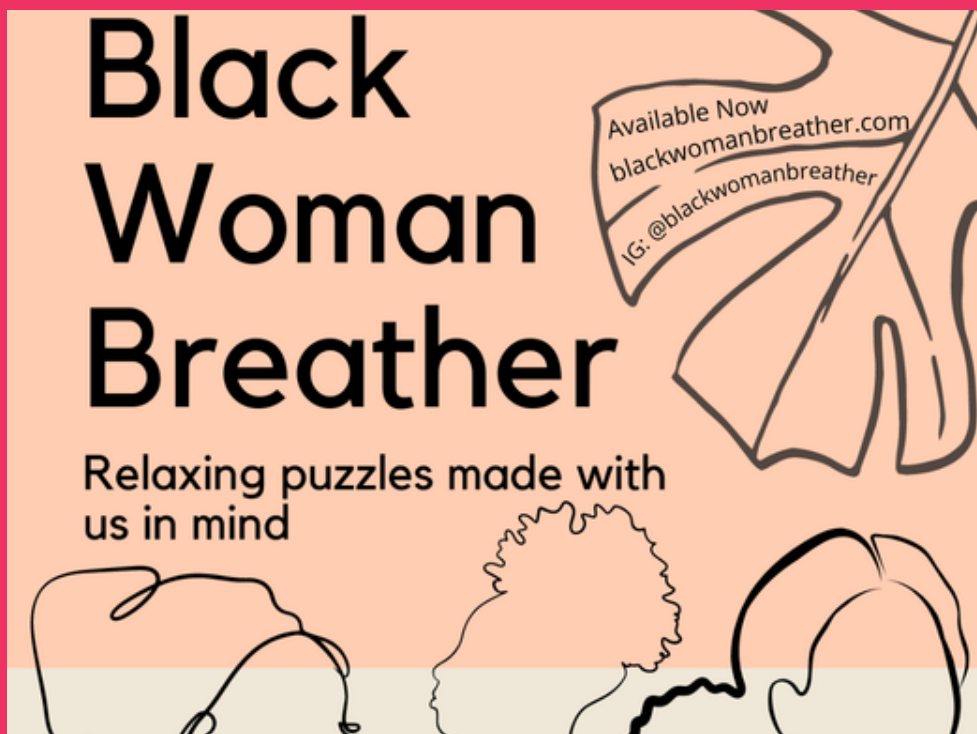

“See About It”. Really, from top to bottom, this album is a peak look at what Wave Parker is about, but the run from “See About It” to “Trust the Process” is something wonderful.

The third album, *Flamingos in the Wind* will be dropped on September 25, 2026. This album will finish out the Year of the Flamingo Era and usher in the Welcome to Steezinati Era of Wave Parker.

Welcome to Steezinati

EXPLAINED BY WAVE PARKER

Waz hannin widdit,

Welcome to Steezinati, where the players and playettes play, the hustlers get their pay, and the lame folk stay away, yafeezme.

This new era we steppin' into under the brand is about taking over, overall encompassed by my tripledub.exe era in full. As a slightly technically advanced n*gga that made his own website just to drop a mixtape (true story on how www.waveparker.com came about), I'm also deciding to drop a magazine to maintain peer-to-peer interaction in the physical world. All these QR Codes lead back to the website, as well as secret exclusive sh*t not accessed thru the website. This is also to maintain my clothing brand, The Steez Collection. Inspired by Eastbay, every 3 months I'll be passing out this catalog for the people to learn more, the players to earn more, and the Steezers to keep it steezy.

As you see on the next page, The Steez Catalog has the clothing for this season of STEEZ, The 2026 STEEZINATI CLASSIC. This season is based on HBCU Culture mixed with NASCAR/Street Racing Culture but in the way my alma mater (THE Tennessee State University '17) and other HBCU's would do their Classics, or even Homecoming. These articles of clothing include designs based off what you'd see line the main street with local street vendors and brands that are prominent in the community. Check the

mocks out. You'll see jackets, hoodies, shirts, and other new gear for the collection.

On the flipside, you'll see different options on how to get my music digitally and thru physical media. Not all my stuff will be on DSP's or even on my website. Might need to make sure you subscribe to the catalog to make sure you don't miss out on anything Wave related.

Steezimate 2026
Apr. - Sept. 2026

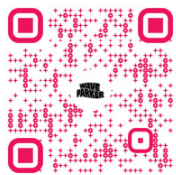

Waz hannin widdit,

On September 25, 2026, I'm having the 2026 STEEZINATI CLASSIC in Cincinnati, OH. This will be a block party/fashion show/semi-music festival to bring in the Official release of The Steez Catalog, as well as bring in the new season of The Steez Collection. This event will showcase other brands and artists that I been rockin' with over the years in my city. As an artist born and raised here, I want to show how Cincinnati has, and has always been, something special within the arts. I just happen to show that love thru Hip Hop music and streetwear.

To drive excitement for this event and to make this thing something as big as it can be, I'm holding a \$1 raffle. Basically if you purchase anything from the catalog or my website, you'll get a ticket into the raffle. Now what you gonna win? I don't know yet. Depends on how many tickets get sold. All I know is I got \$1,040 worth of tickets sold as of now and the prize is a Custom STEEZ Die Cast of one of these cars. Who knows what \$50K worth of tickets would provide. Might give out a real car on some Price is Right sh*t. So, if you wanna enter this raffle, you got until Septmeber 25th to enter. A dollar is all you need to enter. Could be ya game changer. Go to the website to enter. Start by joining the Surf Shack.

The Steez Catalog is funded by local sponsorship and ads from the homies and the community. if you would like to subscribe to this catalog, please send an email to thesteezcatalog@gmail.com with your address, and we'll send you the next issue for the free. Once we figure out the shipping cost, we'll hit you with the pricing for the next issue if you're still interested.

Much love, stay wonderful,
TJ “Wave Parker” Brame
